§5

The Resolution shall become effective as of the date hereof."

Justification
to the draft resolution concerning distribution of the Company's profit for 2024

According to article 395 § 2 point 2 of the Commercial Companies Code, the agenda of an ordinary general meeting should include adoption of a resolution on profit distribution or loss coverage.

According to article 396 § 1 of the Commercial Companies Code, to cover a loss, a supplementary capital should be created, to which at least 8% of the profit for a given financial year is transferred, until the capital reaches at least one-third of the share capital.

The proposed dividend payment in the total amount of PLN 90 814 939.25 (from net profit for the year 2024 and part of the reserve capital) means the payment of PLN 1.75 per share. The dividend payout ratio will be 46% of the consolidated profit for 2024 attributable to shareholders of the parent company (this ratio will be 48% after eliminating the impact of hyperinflation on the consolidated profit of the Group). The proposed dividend amount is consistent with the Company's dividend policy.

When proposing the dividend amount, the Management Board took into account, among others:

- financial results achieved by the Asseco South Eastern Europe Group in 2024,
- investment needs resulting from the implementation of the Asseco South Eastern Europe Group's strategy,
- dividend rates and payout ratios applied by comparable companies,
- liquidity needs of the ASEE Group, which will depend on the current and expected market conditions, the amount of liabilities arising from current operations and debt service, as well as on optimization of the Asseco South Eastern Europe Group's financing structure.

According to article 348 § 3 of the Polish Companies Act, the dividend date in a public company and a company that is not a public company, whose shares are registered in a securities depository, is set by the ordinary general meeting.

According to article 348 § 4 of the Polish Companies Act, the ordinary general meeting determines the dividend date as a date falling not earlier than five days and not later than three months after the date of the resolution concerning the distribution of profit. If the resolution of the ordinary general meeting does not specify the dividend record date, the dividend record date shall be the date falling five days after the date of the resolution concerning the distribution of profit.

According to article 348 § 5 of the Polish Companies Act, dividends shall be paid on the date set forth in the resolution of the General Shareholders Meeting, and if the resolution of the General Shareholders Meeting does not specify a payment date, the dividend shall be paid on the date set forth by the Supervisory Board. The dividend payment date shall be set within three months from the dividend date. If neither the General Meeting nor the Supervisory board determines a time limit for dividend payment, the dividend shall be paid immediately after the dividend record date.

In addition, according to § 121 section 2 of the Detailed Rules of Operation of the National Depository for Securities, the dividend payment date may be at the earliest on the second day after the date of determination of rights to dividend. According to § 9 section 1 of the Rules of the National Depository for Securities, the deadlines specified in days exclude days which are statutory non-working days and Saturdays.

The dividend date and the dividend payment date have been determined in accordance with the aforementioned rules.

In view of the foregoing, a draft of this resolution is presented for consideration at the Ordinary General Meeting.

§2

The Ordinary General Meeting of Shareholders of Asseco South Eastern Europe S.A. with its registered seat in Rzeszów, acting on the basis of Article 430 § 1 of the Commercial Companies Code and on the basis of § 12 sec. 4 point 8) of the Company's Articles of Association in connection with Article 66 (4) of the Accounting Act of September 29, 1994, decides to amend the existing provision of § 13 sec. 12 point 7) of the Articles of Association by making it read as follows:

"7) selecting an audit firm to audit financial statements and selecting an audit firm to attest sustainability reporting."

§3

In connection with the contents of § 1 and § 2 above, the Ordinary General Meeting of the Company, pursuant to the provision of § 13.12(8) of the Company's Articles of Association, authorizes the Company's Supervisory Board to establish the unified text of the Company's Articles of Association.

§4

The resolution shall come into force on the date of adoption with effect from the date of registration of the amendments in the National Court Register."

Justification

to the draft resolution concerning amendment of the Articles of Association of the Company

In accordance with Article 430 §1 of the Commercial Companies Code, an amendment to the Articles of Association requires a resolution of the General Meeting and an entry in the register.

The proposed amendment to change the subject of the PKD is due to the need to adjust the subject of activity to the Polish Classification of Business Activities PKD 2025, in force since January 1, 2025. Polish Classification of Business Activities PKD 2025, which replaced the previous PKD 2007, in accordance with the Decree of the Council of Ministers of December 18, 2024 on the Polish Classification of Business Activities (PKD), issued on the basis of Article 40(2) of the Public Statistics Act of June 29, 1995 (Journal of Laws of 2024, item 1799). By the way, those of the activities that do not apply to the Company were removed from the list of objects of activity.

The proposed change in the wording of the provision of §12.4(8) of the Articles of Association is a consequence of the entry into force of the Act of December 6, 2024, amending the Accounting Act, the Act on Certified Public Accountants, Audit Firms and Public Supervision, and certain other acts, and follows directly from the amended Art. 66 para. 4 of the Accounting Act of September 29, 1994, which, in connection with the introduction of the obligation to attest sustainability reporting, makes it possible to delegate the authority to select an audit firm to attest the aforementioned reporting, by statute, to a body other than the body approving the entity's financial statements. Accordingly, the proposed wording of §12.4(8) extends the Supervisory Board's existing authority to select an audit firm to audit the reporting also to include the selection of an audit firm to attest sustainability reporting. At the same time, the proposed amendment introduces the term "audit firm" replacing the term "auditor" in accordance with the amended wording of Article 66(4) of the cited law.

Pursuant to Article 430 § 1 and § 5 of the Commercial Companies Code and § 12 section 4 item 8) of the Company's Articles of Association - an amendment to the Company's Articles of Association requires a resolution of the general meeting and an entry in the register of entrepreneurs.

In view of the foregoing, a draft of this resolution is presented for consideration at the Ordinary General Meeting.
